Agreement made this _____ day of _____ A.D., _____

Between _____ of _____, _____, AB _____
(the member(s))

and

North Parkland Power Rural Electrification Association Ltd.

WHEREAS _____, member(s) of the North Parkland Power Rural Electrification Association Ltd. wishes to authorize that their electrical service on the

_____ 1/4, Section _____ Township _____ Range _____ West 4M,
Plan _____ Block _____ Lot _____

North Parkland Power R.E.A. Ltd. Account # _____ be placed on Idle Service as described
(A service which is not energized, but is to remain intact) on _____, 20____.

Requests need to be received a minimum of 10 working days in advance.

The effective billing date will be the 1st day of the month if prior to the 15th, or the 1st day of the following month if on or after the 15th, based on the date of actual disconnect.

Re-activation of an idle service (return to “active service) requires that:

1. A signed current electric service contract is in place.
2. A reconnection fee of **1/2 hour labour & truck charge** (+ GST) will be assessed.

The Member is not required to pay a reconnection fee provided:

- it is a new connect service which has been idle since construction, or
- it is a service which has been idle for more than 6 months.

By signing this document it is my understanding that I am responsible for any damages to my property that might occur from disconnecting this service. I waive North Parkland Power of all responsibility concerning this service.

WHEREAS the parties hereto have hereunto fixed their seal.
